

revaris.

building value

Cooperation

Purchase or participation. We are much more than a property project developer. We can act as a service developer, or we can participate in the project.

What we are looking for:

Project type	LAND DEVELOPMENT / DISTRICT DEVELOPMENT NEW DEVELOPMENT AND REFURBISHMENT DEVELOPMENT RESIDENTIAL AND COMMERCIAL
Location	Greater NRW area
Investment volume	from approx. EUR 10 million

Our performance profile and our strategy

SERVICES

- Strategic project analysis
- Organising ownership structures
- Representation of stakeholder interests
- Concept development & optimisation
- Planning law creation
- Commercial & technical project development / project management
- Letting and transaction management
- ESG optimisations

STRATEGY

- Stabilisation of projects out of balance
- Service development
- Manage to ESG (existing portfolios)
- Investment and asset management services
- Strategic equity investments

Why revaris?

We maintain value, where projects are out of balance.

- Development Know-how
- Interdisciplinary management team
- Resilient network
- Efficient processing through standardisation/digitalisation
- Participation option

You know of vacant land, sites and properties that offer development potential for new functional uses? Are you a portfolio holder or property developer looking for a strong partner with development expertise, creditworthiness and experience?
